MEMORANDUM

TO: ANC 5D
FR: Denise Wiktor, General Counsel
DT: 9/25/2025
RE: Trinidad Future and History Grant

The Office of Advisory Neighborhood Commissions (“OANC”) has received a copy of a grant request from the Wheatley School Community Organization regarding a grant for Trinidad Future and History Festival 2025. The applicant states that this is a free festival which will take place alongside the weekly farmers market at the Wheatley Education Campus. It will have historical exhibits, Activities for envisioning the future of Trinidad. Additionally, some of the materials will be put on permanent display at the Wheatley campus.

The applicant is requesting a grant amount of \$2500.00. All of the categories of expense were permissible except for \$100 for contingency. The Applicant has requested (see attached email) that the \$100.00 be allocated to signage and display as they expect it to be more than the \$200.00. This would bring the permissible expenses to the requested \$2500.00

I have reviewed the application sent to OANC and have found that the request is a **permissible** expenditure of ANC monies, as outlined below.

Additionally, once a grant has been voted on by the ANC *the purpose of the grant cannot be changed without an additional vote by the ANC.*

Analysis

There are five prongs a grant must meet to be a permissible expense¹, and there is also a sixth requirement of the D.C. Official Code that limits the amount of a grant that can be spent on overhead². These are, respectively:

¹ See *Letter to Schanette Grant on Seasoned Settlers and Grants Generally*, April 14, 2022, found at <https://oag.dc.gov/sites/default/files/2022-04/Letter-to-OANC-Re-Seasoned-Settlers-Grant-and-Grants-Generally-.pdf>.

² D.C. Official Code 1-309.13(m)(2)(D) provides that “[n]o Commission shall provide a grant for which the grantee estimates that the overhead costs would exceed 15% of the entire grant amount.”

1. **Public Purpose:** ANC grants must be for “public purposes within the Commission area.”³ A public purpose is one “that includes a significant benefit for the community and is not done for the primary purpose of benefitting a private entity.”⁴ This is a free public event focused on the Trinidad community which is within ANC 5D. It will bring together neighbors, some of whom may be already in the area for the farmer’s market.
2. **Local Benefit:** A grant must “benefit persons who work or reside in the Commission area.”⁵ This does not mean the grant may only benefit Commission residents; it simply means the grant’s benefits should be focused on those residents.⁶ This event is focused on a are within ANC 5D, is open to all 5D residents and will primarily benefit the residents and business in 5D.
3. **Proposed Project:** A grant must be for a proposed project.⁷ This is a discrete single event, with a proposed beginning date and end date.
4. **Organization:** A grant must be to an “organization,” not an individual or a government entity,⁸ although the organization need not be incorporated⁹. The Wheatley School Community Organization is an organization as defined by the Code for ANC grants. Additionally, the OANC verified in the IRS TEOS system that is a 501(c)(3) organization in good standing with the IRS.
5. **Non-Duplication:** A grant cannot duplicate any services offered by the District of Columbia government.¹⁰ This grant is not duplicative of any service or program provided by the District government.
6. **Overhead:** Overhead cannot exceed 15% of the grant amount.¹¹ None of the grant monies would be used here for overhead costs.

Conclusion

For the reasons stated above, this grant is a **permissible** expenditure of ANC funds.
