MEMORANDUM

TO: ANC 4A
FR: Denise Wiktor, General Counsel

RE: Mother's Day Free Market Grant

The Office of Advisory Neighborhood Commissions ("OANC") has received a copy of a grant request from the Petworth Peanuts regarding a grant for support for the Mother's Day Market. The applicant describes the event as a free market where mothers can come and get needed supplies. None of the grant monies would be used for giveaway items but for the support to make the market happen.

The applicant is requesting a grant amount of \$3,000 for the venue, transportation rental, dumpster rental and marketing and event signage. .

I have reviewed the application sent to OANC and have found that the request is a partially **permissible and partially impermissible** expenditure of ANC monies, as outlined below. The request for \$500.00 for t-shirts and supplies for volunteers is impermissible. Primarily the T-shirts and vests were impermissible. The disposable PPE and first aid supplies would be permissible if the costs were separated into account.

Additionally, once a grant has been voted on by the ANC *the purpose of the grant cannot be changed without an additional vote by the ANC.*

Analysis

There are five prongs a grant must meet to be a permissible expense¹, and there is also a sixth requirement of the D.C. Official Code that limits the amount of a grant that can be spent on overhead². These are, respectively:

¹ See *Letter to Schanette Grant on Seasoned Settlers and Grants Generally*, April 14, 2022, found at <https://oag.dc.gov/sites/default/files/2022-04/Letter-to-OANC-Re-Seasoned-Settlers-Grant-and-Grants-Generally-.pdf>.

² D.C. Official Code 1-309.13(m)(2)(D) provides that "[n]o Commission shall provide a grant for which the grantee estimates that the overhead costs would exceed 15% of the entire grant amount."

1. **Public Purpose:** ANC grants must be for “public purposes within the Commission area.”³ A public purpose is one “that includes a significant benefit for the community and is not done for the primary purpose of benefitting a private entity.”⁴ An event such as this will have a significant benefit to the community residents of the ANC.
2. **Local Benefit:** A grant must “benefit persons who work or reside in the Commission area.”⁵ This does not mean the grant may only benefit Commission residents; it simply means the grant’s benefits should be focused on those residents.⁶ The event is happening within ANC 4A. The Applicant has stated they will be giving special attention to giving notice to areas within 4A and expect a large attendance from within ANC 4A. Attendance from other ANCs is expected.
3. **Proposed Project:** A grant must be for a proposed project.⁷ This is a discrete single event, with a proposed beginning date and end date.
4. **Organization:** A grant must be to an “organization,” not an individual or a government entity,⁸ although the organization need not be incorporated⁹. Petworth Peanuts is an organization as defined by the Code for ANC grants.
5. **Non-Duplication:** A grant cannot duplicate any services offered by the District of Columbia government.¹⁰ This grant is not duplicative of any service or program provided by the District government.
6. **Overhead:** Overhead cannot exceed 15% of the grant amount.¹¹ None of the grant monies would be used here for overhead costs.

Conclusion

For the reasons stated above, this grant is a **permissible** expenditure of ANC funds.
