MEMORANDUM

TO: ANC 1D
FR: Denise Wiktor, General Counsel
DT: 06/05/2025
RE: Mt. Pleasant Village Grant for Native Plantings.

The OANC has received a copy of a grant request from Mt. Pleasant Village for a native plantings project. I have reviewed the application and budget sent to the OANC as well as corresponding with the Applicant. I have found that the request is a **permissible** expenditure of ANC monies as outlined below. The OANC recommended that the Applicant remove the requirement that the adjacent homeowner contribute money. In response, the Applicant has changed the amount requested to \$1500.00 and removed the monetary contribution requirement. This makes the benefit of the grant equally accessible to all houses in ANC 1D.

There are five prongs a grant must meet to be a permissible expense¹ and a 6th requirement of the D.C. Official Code that limits the amount of a grant that can be spent on overhead². They are:

1. **Public Purpose:** ANC grants must be for “public purposes within the Commission area.”³ A public purpose is one “that includes a significant benefit for the community and is not done for the primary purpose of benefitting a private entity.”⁴ These would be public plantings, the first three tree boxes would be on Mt. Pleasant main street and available for all the community to enjoy. Plantings are a traditional use of ANC grant funds.
2. **Local Benefit:** A grant must “benefit persons who work or reside in the Commission area.”⁵ This does not mean the grant may only benefit Commission residents; it simply

² D.C. Official Code 1-309.13(m)(2)(D) “No Commission shall provide a grant for which the grantee estimates that the overhead costs would exceed 15% of the entire grant amount.”

³ D.C. Official Code § 1-309.13(l)(1).

means the grant's benefits should be focused on those residents.⁶ The primary beneficiaries of this grant will be the residents and businesses in 1D

3. **Proposed Project.** A grant must be for a proposed project.⁷ This is a discrete single event or series of plantings.
4. **Organization.** A grant must be to an "organization," not an individual or a government entity,⁸ although the organization need not be incorporated.⁹ Mt. Pleasant Village is an organization within the meaning of the code.
5. **Non-Duplication.** A grant cannot duplicate any services offered by the D.C. government.¹⁰ The District of Columbia does not perform these services.
6. **Overhead.** Overhead cannot exceed 15% of the grant amount.¹¹ None of the grant monies will be used for overhead as the Code defines it.

Conclusion

For the reasons stated above this grant is a **permissible** expenditure of ANC funds.
