RE: Grant Application by The STAND for a Winter Wellness Retreat

The OANC received a copy of a grant application from The Stand proposing a winter wellness retreat. They are requesting \$5,000.00 for 6-8 participants. The purpose is to remove participants from the urban environment for a variety of activities including horses, budgeting, and wellness activities. This is not a permissible use of ANC monies for the reasons outlined below.

Expenditures, whether direct or by grant, by an ANC must serve a public purpose as defined in the D.C. Official Code as “a purpose that benefits the community as a whole and is not done for the primary purpose of benefitting a private entity¹” and “which benefits or potentially benefits a significant number of persons who either reside or work within the Commission area.²”

To that purpose “[e]ach proposed ANC grant must be carefully scrutinized to ensure that it will benefit a significant part of the public, not just a few individuals.”³ The OAG has previously determined that grants that benefit only 15 persons or a small number of children do not meet the Public Purpose requirement.⁴

Even if this event accommodated more individuals from the ANC, D.C. Official Code section 1-309.13(1)(2) expressly prohibits the expenditure of ANC money on “travel outside of the Washington metropolitan area.”

For these reasons, this grant would be an impermissible expenditure by ANC 8A.
