**MEMORANDUM**

TO: ANC 7E  
FR: Denise Wiktor, General Counsel  
DT: 5/20/2025  
RE: Juneteenth Grant request from the Juneteenth Planning Committee

The OANC has received a copy of a grant request to ANC 7E for \$5,000 for the Juneteenth day parade and surrounding events. I have reviewed the application, budget and supplemental materials sent to the OANC and have found that the request is a **permissible** expenditure of ANC monies as outlined below. That applicant has requested \$2,000 for fliers, posters and digital ads and \$3,000.00 for banners and signage.

There are five prongs a grant must meet to be a permissible expense<sup>1</sup> and a 6<sup>th</sup> requirement of the D.C. Official Code that limits the amount of a grant that can be spent on overhead<sup>2</sup>. They are:

1. **Public Purpose:** ANC grants must be for “public purposes.”<sup>3</sup> A public purpose is one “that includes a significant benefit for the community and is not done for the primary purpose of benefitting a private entity.”<sup>4</sup> The parade and the events stage will be entirely within ANC 7B and will be open to the public. It is expected that there will be significant participation and attendance from the residents of 7E. Many residents of ANC 7E live within walking distance of the events. In addition, groups consisting largely of 7E residents will be participating in the parade such as the Fletcher Johnson Alumni Group.

<sup>2</sup> D.C. Official Code 1-309.13(m)(2)(D) “No Commission shall provide a grant for which the grantee estimates that the overhead costs would exceed 15% of the entire grant amount.”

<sup>3</sup> D.C. Official Code § 1-309.13(l)(1).

<sup>4</sup> *Id.*

2. **I Benefit:** A grant must “benefit persons who work or reside in the Commission area.”<sup>5</sup> This does not mean the grant may only benefit Commission residents; it simply means the grant’s benefits should be focused on those residents.<sup>6</sup> Again, while this event is not located within 7E it is close enough to 7E to provide a benefit to the residents and a significant effort has been made to get residents of 7E to participate and/or attend the event.
3. **Proposed Project.** A grant must be for a proposed project.<sup>7</sup> This is a discrete single event.
4. **Organization.** A grant must be to an “organization,” not an individual or a government entity,<sup>8</sup> although the organization need not be incorporated.<sup>9</sup> Juneteenth Planning Committee is an organization within the meaning of the code and they will be using the Marshall Heights Community Development Organization as a fiscal sponsor.
5. **Non-Duplication.** A grant cannot duplicate any services offered by the D.C. government.<sup>10</sup>
6. **Overhead.** Overhead cannot exceed 15% of the grant amount.<sup>11</sup> None of the grant monies will be used for overhead as the Code defines it.

## Conclusion

For the reasons stated above this grant is a **permissible** expenditure of ANC funds.
