MEMORANDUM

TO: Erika Nunez, Chair ANC 1D
Hannah Grigg, Treasurer ANC 1D
FR: Denise Wiktor, General Counsel

RE: District Bridges Art All Night 2024

The OANC received a copy of a grant request in June. It was not logged in and is only now being reviewed as part of the QFR process. I have reviewed the application sent to the OANC and have found that the request is a **permissible** expenditure of ANC monies.

There are five prongs a grant must meet to be a permissible expense¹ and a 6th requirement of the D.C. Official Code that limits the amount of a grant that can be spent on overhead². They are:

1. **Public Purpose:** ANC grants must be for “public purposes within the Commission area.”³ A public purpose is one “that includes a significant benefit for the community and is not done for the primary purpose of benefitting a private entity.”⁴ This standard was changed with the Fiscal Year Budget Support Act and the accompanying emergency.⁵ This grant and event clearly has a public purpose. It is located within the business district of ANC 1D, is open to all residents and has events all ages can participate in from numerous musicians to a bubble pump.
2. **Local Benefit:** A grant must “benefit persons who work or reside in the Commission area.”⁶ This does not mean the grant may only benefit Commission residents; it simply

² D.C. Official Code 1-309.13(m)(2)(D) provides that “[n]o Commission shall provide a grant for which the grantee estimates that the overhead costs would exceed 15% of the entire grant amount.”

³ D.C. Official Code § 1-309.13(1)(1).

⁴ *Id.* This precludes payment to individuals whether it be for services or as a stipend or honorarium. It also precludes handouts to volunteers such as t-shirts and the purchase of items non-transient nature that will remain in the possession of an individual after an event such as tables and chairs or tents. Rental of such items is permissible. The ANC may purchase items that they retain and use or loan out to the community.

⁵ D.C. Official Code § 1-309.13(m)(1).

⁶ *Id.*

means the grant's benefits should be focused on those residents.⁷ The event is within ANC 1D and the primary beneficiaries are the residents and businesses of 1D

3. **Proposed Project.** A grant must be for a proposed project.⁸ This means that it must be for a specific undertaking, not for general support of an organization. It also means that a grant cannot reimburse an organization for expenses connected to an existing or completed project. This is a discrete single event.
4. **Organization.** A grant must be to an "organization," not an individual or a government entity,⁹ although the organization need not be incorporated.¹⁰ District Bridges is an organization as defined by the D.C. code
5. **Non-Duplication.** A grant cannot duplicate any services offered by the D.C. government.¹¹
6. **Overhead.** Overhead cannot exceed 15% of the grant amount.¹² None of the grant monies will be used for overhead as the Code defines it.

Conclusion

For the reasons stated above this grant is a **permissible** expenditure of ANC funds if used as outlined above.
