MEMORANDUM

RE: Cycle for Change grant application

The OANC has received a copy of a grant request from Fresh Wind CDC for funding for the Cycle for Change event. I have reviewed the application and the addendum sent to the OANC and have found that the request is a permissible expenditure of ANC monies. The event involves a community bike ride to bring awareness to the pervasive problem of gun violence and the impact it has on the community. The ride will be followed by a community engagement and resource fair. It is the community engagement fair that the ANC is being asked to support.

There are five prongs a grant must meet to be a permissible expense¹ and a 6th requirement of the D.C. Official Code that limits the amount of a grant that can be spent on overhead². They are:

1. **Public Purpose:** ANC grants must be for “public purposes within the Commission area.”³ A public purpose is one “that benefits the community as a whole and is not done for the primary purpose of benefitting a private entity.”⁴ The fair will be held within ANC 8A and be open to all residents of ANC 8A. The goal is to create gun violence awareness with a goal of prevention which will benefit the community as a whole.
2. **Local Benefit:** A grant must “benefit persons who work or reside in the Commission area.”⁵ This does not mean the grant may only benefit Commission residents; it simply means the grant’s benefits should be focused on those residents.⁶ The fair with its

² D.C. Official Code 1-309.13(m)(2)(D) “No Commission shall provide a grant for which the grantee estimates that the overhead costs would exceed 15% of the entire grant amount.”

resources and some fun games and events for residents to participate in. There will also be music. The primary beneficiaries will be the businesses and residents of ANC 8A.

3. **Proposed Project.** A grant must be for a proposed project.⁷ This is a discrete single event.
4. **Organization.** A grant must be to an “organization,” not an individual or a government entity,⁸ although the organization need not be incorporated.⁹ The applicant is a 501(c)(3) organization.
5. **Non-Duplication.** A grant cannot duplicate any services offered by the D.C. government.¹⁰ The D.C. government does not offer a service like this or similar to it.
6. **Overhead.** Overhead cannot exceed 15% of the grant amount.¹¹ None of the grant monies will be used for overhead as the Code defines it.

Conclusion

For the reasons stated above this grant is an acceptable expenditure of ANC funds.
