RE: Van Ness Main Street Pollinating Plants Grant Application

The OANC has received a copy of a grant request from Van Ness Main Street (VNMS) for a Pollinating Plant project. I have reviewed the application sent to the OANC and have found that the request is a **permissible** expenditure of ANC monies as outlined below. Commissioner Guzman informed me that the applicant in the similar Edmund Burke grant application had consulted with VNMS before submitting their application so the two applications should complement, not duplicate, what they are doing.

There are five prongs a grant must meet to be a permissible expense¹ and a 6th requirement of the D.C. Official Code that limits the amount of a grant that can be spent on overhead². They are:

1. **Public Purpose:** ANC grants must be for “public purposes within the Commission area.”³ A public purpose is one “that includes a significant benefit for the community and is not done for the primary purpose of benefitting a private entity.”⁴ Plantings in public space are a traditional use of ANC grant monies. These plantings will be open and available for all who live and work in the ANC to enjoy.
2. **Local Benefit:** A grant must “benefit persons who work or reside in the Commission area.”⁵ This does not mean the grant may only benefit Commission residents; it simply means the grant’s benefits should be focused on those residents.⁶

² D.C. Official Code 1-309.13(m)(2)(D) “No Commission shall provide a grant for which the grantee estimates that the overhead costs would exceed 15% of the entire grant amount.”

³ D.C. Official Code § 1-309.13(l)(1).

Nichols*, Nov. 9, 2006, at 2 n.2 found at [Letter-to-Deborah-Nichols-Re-Whether-an-ANC-may-approve-a-grant-to-commission-plans-and-drawings-.pdf](#) (ANC 4C grant was permissible where the “[b]enefit to other ANCs would be incidental to the benefit conferred on ANC 4C residents,” because a grant’s benefits need not “be exclusive to the ANC that gives the grant funds”); see *Letter to Comm’r Fletcher*, Mar. 15, 2022, at 2,

The plantings will be within ANC 3F and provide an immediate local benefit.

3. **Proposed Project.** A grant must be for a proposed project.⁷ This is a discrete single event.
4. **Organization.** A grant must be to an “organization,” not an individual or a government entity,⁸ although the organization need not be incorporated.⁹ Van Ness Main Street **is/is not** an organization within the meaning of the code.
5. **Non-Duplication.** A grant cannot duplicate any services offered by the D.C. government.¹⁰ This grant does not duplicate any D.C. Government services
6. **Overhead.** Overhead cannot exceed 15% of the grant amount.¹¹ None of the grant monies will be used for overhead as the Code defines it.

Conclusion

For the reasons stated above this grant is a **permissible** expenditure of ANC funds.
