MEMORANDUM

TO: ANC 6E
FR: Denise Wiktor, General Counsel

RE: Cobb Park Community Celebration

The Office of Advisory Neighborhood Commissions (“OANC”) has received a copy of a grant request from the Mount Vernan Community Improvement District regarding a grant for the Cobb Park Community Celebration. The applicant states that the celebration is to commemorate the opening of Cobb Park. It will be a family friendly celebration with music.

The applicant is requesting a grant amount of \$20,000.00. The application does not specify what the funds will be used for. **ANC grant funds cannot be used for permit fees and checks written by the grantee to individuals.** I note day of staffing, entertainment and the event producer as areas where checks are often written to individuals as opposed to companies. The Staging and AV are not itemized but assuming it is for the rental of that equipment, it is permissible. The amount of a grant is entirely within the discretion of the ANC. In case Commissioners are interested most ANC grants for community festivals are \$2500.00 to \$5,000. One ANC gave a \$10,000 grant for a community festival last year but has decided not to give such large grants in the foreseeable future.

I have reviewed the application sent to OANC and have found that the request is a **permissible with the caveat mentioned** expenditure of ANC monies.

Additionally, once a grant has been voted on by the ANC *the purpose of the grant cannot be changed without an additional vote by the ANC.*

Analysis

There are five prongs a grant must meet to be a permissible expense¹, and there is also a sixth requirement of the D.C. Official Code that limits the amount of a grant that can be spent on overhead². These are, respectively:

¹ See *Letter to Schanette Grant on Seasoned Settlers and Grants Generally*, April 14, 2022, found at <https://oag.dc.gov/sites/default/files/2022-04/Letter-to-OANC-Re-Seasoned-Settlers-Grant-and-Grants-Generally-.pdf>.

² D.C. Official Code 1-309.13(m)(2)(D) provides that “[n]o Commission shall provide a grant for which the grantee estimates that the overhead costs would exceed 15% of the entire grant amount.”

1. **Public Purpose:** ANC grants must be for “public purposes within the Commission area.”³ A public purpose is one “that includes a significant benefit for the community and is not done for the primary purpose of benefitting a private entity.”⁴ Community festivals create a shared sense of pride and bring neighbors together in a social environment which helps with neighborhood cohesion. This may also have the added benefit of increasing foot traffic to nearby local businesses.
2. **Local Benefit:** A grant must “benefit persons who work or reside in the Commission area.”⁵ This does not mean the grant may only benefit Commission residents; it simply means the grant’s benefits should be focused on those residents.⁶ This event is within ANC 6E and will be within walking distance of most residents. It will likely increase foot traffic to local businesses.
3. **Proposed Project:** A grant must be for a proposed project.⁷ This is a discrete single event, with a proposed beginning date and end date.
4. **Organization:** A grant must be to an “organization,” not an individual or a government entity,⁸ although the organization need not be incorporated⁹. The Mount Vernon Community Improvement District is an organization as defined by the Code for ANC grants.
5. **Non-Duplication:** A grant cannot duplicate any services offered by the District of Columbia government.¹⁰ This grant is not duplicative of any service or program provided by the District government.
6. **Overhead:** Overhead cannot exceed 15% of the grant amount.¹¹ None of the grant monies would be used here for overhead costs.

Conclusion

For the reasons stated above, this grant is a **permissible** expenditure of ANC funds.
