**MEMORANDUM**

TO: ANC 1A  
FR: Denise Wiktor, General Counsel

RE: Columbia Heights Day Grant Request

---

The Office of Advisory Neighborhood Commissions (OANC”) has received a copy of a grant request from District Bridges regarding a grant for Columbia Heights Day 2026. The applicant states that the money will be used for a muralist for a live community mural in Columbia Heights.

The applicant is requesting a grant amount of \$1,000.00.

I have reviewed the application sent to OANC and have found that the request is a **permissible** expenditure of ANC monies.

Additionally, once a grant has been voted on by the ANC *the purpose of the grant cannot be changed without an additional vote by the ANC.*

**Analysis**

There are five prongs a grant must meet to be a permissible expense<sup>1</sup>, and there is also a sixth requirement of the D.C. Official Code that limits the amount of a grant that can be spent on overhead<sup>2</sup>. These are, respectively:

1. **Public Purpose:** ANC grants must be for “public purposes within the Commission area.”<sup>3</sup> A public purpose is one “that includes a significant benefit for the community

<sup>2</sup> D.C. Official Code 1-309.13(m)(2)(D) provides that “[n]o Commission shall provide a grant for which the grantee estimates that the overhead costs would exceed 15% of the entire grant amount.”

and is not done for the primary purpose of benefitting a private entity.”<sup>4</sup> Columbia Height Day is an annual festival centered in Columbia Heights that is free and open to the residents of the ANC and brings in foot traffic to the local businesses.

2. **Local Benefit:** A grant must “benefit persons who work or reside in the Commission area.”<sup>5</sup> This does not mean the grant may only benefit Commission residents; it simply means the grant’s benefits should be focused on those residents.<sup>6</sup> The primary beneficiaries of the Festival will be the residents and businesses of Columbia Heights, though residents from nearby ANCs are likely to attend.
3. **Proposed Project:** A grant must be for a proposed project.<sup>7</sup> This is a discrete single event, with a proposed beginning date and end date.
4. **Organization:** A grant must be to an “organization,” not an individual or a government entity,<sup>8</sup> although the organization need not be incorporated<sup>9</sup>. District Bridges is an organization as defined by the Code for ANC grants. The muralist will be paid as an LLC.
5. **Non-Duplication:** A grant cannot duplicate any services offered by the District of Columbia government.<sup>10</sup> This grant is not duplicative of any service or program provided by the District government.
6. **Overhead:** Overhead cannot exceed 15% of the grant amount.<sup>11</sup> None of the grant monies would be used here for overhead costs.

## **Conclusion**

For the reasons stated above, this grant is a **permissible** expenditure of ANC funds.
