MEMORANDUM

TO: ANC 8C
FR: Denise Wiktor, General Counsel
DT: 12/10/2025
RE: Grant for Umoja Night Celebration

The Office of Advisory Neighborhood Commissions (“OANC”) has received a copy of a grant request from the Kwanzaa DC regarding a grant for the Umoja night celebration. The applicant states: “Kwanzaa is celebrated for Seven Consecutive Days. One of the Days will be held at the UPO Petey Greene Community Service Center 2907 MLK Ave SE which is located in ANC 8C. That specific date is December 29th. Residents of ANC 8C can get there by walking being that it is in the heart of the community”

The applicant is requesting a grant amount \$2,000 of to be used to cover the rental for the Community Center.

I have reviewed the application sent to OANC and have found that the request is a **permissible** expenditure of ANC monies, as outlined below.

Additionally, once a grant has been voted on by the ANC *the purpose of the grant cannot be changed without an additional vote by the ANC.*

Analysis

There are five prongs a grant must meet to be a permissible expense¹, and there is also a sixth requirement of the D.C. Official Code that limits the amount of a grant that can be spent on overhead². These are, respectively:

¹ See *Letter to Schanette Grant on Seasoned Settlers and Grants Generally*, April 14, 2022, found at <https://oag.dc.gov/sites/default/files/2022-04/Letter-to-OANC-Re-Seasoned-Settlers-Grant-and-Grants-Generally-.pdf>.

² D.C. Official Code 1-309.13(m)(2)(D) provides that “[n]o Commission shall provide a grant for which the grantee estimates that the overhead costs would exceed 15% of the entire grant amount.”

1. **Public Purpose:** ANC grants must be for “public purposes within the Commission area.”³ A public purpose is one “that includes a significant benefit for the community and is not done for the primary purpose of benefitting a private entity.”⁴ The event serves as cultural enrichment and celebration of the community.
2. **Local Benefit:** A grant must “benefit persons who work or reside in the Commission area.”⁵ This does not mean the grant may only benefit Commission residents; it simply means the grant’s benefits should be focused on those residents.⁶ While residents from around the city may attend it is located in the heart of 8C and will be walking distance for the resident of the ANC
3. **Proposed Project:** A grant must be for a proposed project.⁷ This is a discrete single event, with a proposed beginning date and end date.
4. **Organization:** A grant must be to an “organization,” not an individual or a government entity,⁸ although the organization need not be incorporated⁹. is an organization as defined by the Code for ANC grants. It does not appear to be an incorporated organization, which is not required, but grant checks cannot be made out to individuals. If Kwanzaa dc does not have a checking account they can use a fiscal agent, usually a nonprofit or a local business or the ANC may make the check directly out to the facility.
5. **Non-Duplication:** A grant cannot duplicate any services offered by the District of Columbia government.¹⁰ This grant is not duplicative of any service or program provided by the District government.
6. **Overhead:** Overhead cannot exceed 15% of the grant amount.¹¹ None of the grant monies would be used here for overhead costs.
