RE: Petworth Blooms Grant Application to ANC 4D

The OANC has received a copy of a grant request from Petworth Blooms to plant native perennials in areas throughout ANC 4D. I have reviewed the application and budget sent to the OANC and have found that the request is a **permissible** expenditure of ANC monies as outlined below. Since this is a repeating request to ANC 4D the ANC could put a line item in the annual budget (if it is not completed).

It is worth noting that Petworth Blooms has an application in to ANC 4C which is permissible under the recent statutory revision. This does make it important that the ANC get correct receipts for the QFR report.

There are five prongs a grant must meet to be a permissible expense¹ and a 6th requirement of the D.C. Official Code that limits the amount of a grant that can be spent on overhead². They are:

1. **Public Purpose:** ANC grants must be for “public purposes within the Commission area.”³ A public purpose is one “that includes a significant benefit for the community and is not done for the primary purpose of benefitting a private entity.”⁴ This standard was changed with the Fiscal Year Budget Support Act and the accompanying emergency. Beautification efforts such as these are a long tradition among ANCs and provide a substantial benefit the entire ANC area may enjoy.

¹ See, *Letter to Schanette Grant on Seasoned Settlers and Grants Generally*, April 14, 2022, found at <https://oag.dc.gov/sites/default/files/2022-04/Letter-to-OANC-Re-Seasoned-Settlers-Grant-and-Grants-Generally-.pdf>

² D.C. Official Code 1-309.13(m)(2)(D) “No Commission shall provide a grant for which the grantee estimates that the overhead costs would exceed 15% of the entire grant amount.”

³ D.C. Official Code § 1-309.13(l)(1).

⁴ *Id.* This precludes payment to individuals whether it be for services or as a stipend or honorarium. It also precludes handouts to volunteers such as t-shirts and the purchase of items non-transient nature that will remain in the possession of an individual after an event such as tables and chairs or tents. Rental of such items is permissible. The ANC may purchase items that they retain and use or loan out to the community,

2. **Local Benefit:** A grant must “benefit persons who work or reside in the Commission area.”⁵ This does not mean the grant may only benefit Commission residents; it simply means the grant’s benefits should be focused on those residents.⁶ The plantings will provide the most benefit to those who live and work in the ANC
3. **Proposed Project.** A grant must be for a proposed project.⁷ This is a discrete single event.
4. **Organization.** A grant must be to an “organization,” not an individual or a government entity,⁸ although the organization need not be incorporated.⁹
5. **Non-Duplication.** A grant cannot duplicate any services offered by the D.C. government.¹⁰ The D.C. Government has no service like this.
6. **Overhead.** Overhead cannot exceed 15% of the grant amount.¹¹ None of the grant monies will be used for overhead as the Code defines it.

Conclusion

For the reasons stated above this grant is a **permissible** expenditure of ANC funds.
