MEMORANDUM

TO: ANC 5C
FR: Denise Wiktor, General Counsel

RE: Gateway Sign Grant-Gateway Community Association

The Office of Advisory Neighborhood Commissions (“OANC”) has received a copy of a grant request from the Gateway Community Association regarding a grant for a sign designating that you are entering Gateway. The applicant states that the sign will be placed at South Dakota Ave and 33rd Street NE.

The applicant is requesting a grant amount of \$10,000 for 2 signs. The OANC note that the invoice is for \$4849.53 per sign or a total of 9699.06. The ANC will want to clear this discrepancy before issuing the check. Any unused funds will have to be returned to the ANC.

I have reviewed the application sent to OANC and have found that the request is a **permissible** expenditure of ANC monies, as outlined below.

Additionally, once a grant has been voted on by the ANC *the purpose of the grant cannot be changed without an additional vote by the ANC.*

Analysis

There are five prongs a grant must meet to be a permissible expense¹, and there is also a sixth requirement of the D.C. Official Code that limits the amount of a grant that can be spent on overhead². These are, respectively:

¹ See *Letter to Schanette Grant on Seasoned Settlers and Grants Generally*, April 14, 2022, found at <https://oag.dc.gov/sites/default/files/2022-04/Letter-to-OANC-Re-Seasoned-Settlers-Grant-and-Grants-Generally-.pdf>.

² D.C. Official Code 1-309.13(m)(2)(D) provides that “[n]o Commission shall provide a grant for which the grantee estimates that the overhead costs would exceed 15% of the entire grant amount.”

1. **Public Purpose:** ANC grants must be for “public purposes within the Commission area.”³ A public purpose is one “that includes a significant benefit for the community and is not done for the primary purpose of benefitting a private entity.”⁴ The neighborhood has been identified as Gateway for at least 60 years. The signage helps identify and unify the neighborhood.
2. **Local Benefit:** A grant must “benefit persons who work or reside in the Commission area.”⁵ This does not mean the grant may only benefit Commission residents; it simply means the grant’s benefits should be focused on those residents.⁶ While those of us who drive South Dakota to Costco will receive some benefit the primary beneficiaries are the neighbors and businesses of ANC 5C.
3. **Proposed Project:** A grant must be for a proposed project.⁷ This is a discrete single event, with a proposed beginning date and end date.
4. **Organization:** A grant must be to an “organization,” not an individual or a government entity,⁸ although the organization need not be incorporated⁹. The Gateway Community Association is an organization as defined by the Code for ANC grants.
5. **Non-Duplication:** A grant cannot duplicate any services offered by the District of Columbia government.¹⁰ This grant is not duplicative of any service or program provided by the District government.
6. **Overhead:** Overhead cannot exceed 15% of the grant amount.¹¹ None of the grant monies would be used here for overhead costs.

Conclusion

For the reasons stated above, this grant is a **permissible** expenditure of ANC funds.
