MEMORANDUM

TO: ANC 5C
FR: Denise Wiktor, General Counsel

RE: Voter Education Summit

The Office of Advisory Neighborhood Commissions (“OANC”) has received a copy of a grant request from the McKinley Tech PTO regarding a grant for a Voter Education Summit. While the application entitled it a ranked choice voting summit, the summit actually contains two parts, education on ranked choice voting by the Board of Elections and a non-partisan candidate forum. The OANC had already opined that the funding for Rank Choice Voting education would be duplicative of work being done by a DC Agency and therefore impermissible, a non-partisan candidate forum is a permissible education event. **The OANC will need with the close-out paperwork a list of the candidates who were invited.** This could be the emails, the flyer or any mechanism that can show it is truly non-partisan.

The applicant is requesting a grant amount of \$4,400.00 to be used for buses to get people to the forum. The Applicant While the buses will go and stop at places primarily housing seniors, any person from the ANC may take these buses to the event.

I have reviewed the application sent to OANC and have found that the request is a **permissible** expenditure of ANC monies, as outlined below.

Additionally, once a grant has been voted on by the ANC *the purpose of the grant cannot be changed without an additional vote by the ANC.* I know the ANC voted on this grant; I am not sure about what language they used to authorize it and what will be reflected in the minutes.

Analysis

There are five prongs a grant must meet to be a permissible expense¹, and there is also a sixth requirement of the D.C. Official Code that limits the amount of a grant that can be spent on overhead². These are, respectively:

1. **Public Purpose:** ANC grants must be for “public purposes within the Commission area.”³ A public purpose is one “that includes a significant benefit for the community and is not done for the primary purpose of benefitting a private entity.”⁴ ANCs are allowed to fund non-partisan educational events. This event is free and open to the public. There will be special amenities for the elderly and disabled to make it as an inclusive event as possible.
2. **Local Benefit:** A grant must “benefit persons who work or reside in the Commission area.”⁵ This does not mean the grant may only benefit Commission residents; it simply means the grant’s benefits should be focused on those residents.⁶ While this event will benefit person from outside the ANC, focus has been made on getting residents from the ANC to attend by bus. The OANC has also been informed that the ANC will be making a special effort to get word out to its residents.
3. **Proposed Project:** A grant must be for a proposed project.⁷ This is a discrete single event, with a proposed beginning date and end date.
4. **Organization:** A grant must be to an “organization,” not an individual or a government entity,⁸ although the organization need not be incorporated⁹. McKinley PTO is an organization as defined by the Code for ANC grants.

² D.C. Official Code 1-309.13(m)(2)(D) provides that “[n]o Commission shall provide a grant for which the grantee estimates that the overhead costs would exceed 15% of the entire grant amount.”

5. **Non-Duplication:** A grant cannot duplicate any services offered by the District of Columbia government.¹⁰ This grant is not duplicative of any service or program provided by the District government.
6. **Overhead:** Overhead cannot exceed 15% of the grant amount.¹¹ None of the grant monies would be used here for overhead costs.

Conclusion

For the reasons stated above, this grant is a **permissible** expenditure of ANC funds.
