MEMORANDUM

RE: Stronghold Block Party Grant Application

The OANC has received a copy of a \$2500.00 grant request from Stronghold Civic Association for the Gradie McCray Annual Stronghold Civic Association Block Party. I have reviewed the application and amended budget sent to the OANC and have found that the request is a **permissible** expenditure of ANC monies so long as ANC monies are not used for the photographer, t-shirts, prizes or school supply give away. That still leaves approximately slightly more than \$2500.00 of permissible items. It is just important that receipts for those items are not submitted with the close out report.

There are five prongs a grant must meet to be a permissible expense¹ and a 6th requirement of the D.C. Official Code that limits the amount of a grant that can be spent on overhead². They are:

1. **Public Purpose:** ANC grants must be for “public purposes within the Commission area.”³ A public purpose is one “that includes a significant benefit for the community and is not done for the primary purpose of benefitting a private entity.”⁴ A community event such as this that brings the community together and builds stronger bonds meets the public purpose test.
2. **Local Benefit:** A grant must “benefit persons who work or reside in the Commission area.”⁵ This does not mean the grant may only benefit Commission residents; it simply

² D.C. Official Code 1-309.13(m)(2)(D) “No Commission shall provide a grant for which the grantee estimates that the overhead costs would exceed 15% of the entire grant amount.”

³ D.C. Official Code § 1-309.13(l)(1).

⁵ D.C. Official Code § 1-309.13(m)(1).

means the grant's benefits should be focused on those residents.⁶ A block party or small neighborhood event meets this test so long as it is not closed to other areas of the ANC.

3. **Proposed Project.** A grant must be for a proposed project.⁷ This is a discrete single event.
4. **Organization.** A grant must be to an "organization," not an individual or a government entity,⁸ although the organization need not be incorporated.⁹ The Stronghold Civic Association is an organization within the meaning of the code and is pending a 501(c)(3) designation with the IRS. I am assuming a well-established organization such as this has a bank account. In case it does not, I would note a check cannot be made out to an individual for a grant. In that case, the group would need to seek a fiscal sponsor, such as a non-profit or a local business to whom the check could be made out.
5. **Non-Duplication.** A grant cannot duplicate any services offered by the D.C. government.¹⁰ This grant does not duplicate any D.C. Government programs.
6. **Overhead.** Overhead cannot exceed 15% of the grant amount.¹¹ None of the grant monies will be used for overhead as the Code defines it.

Conclusion

For the reasons stated above this grant is a **permissible** expenditure of ANC funds.
