MEMORANDUM

TO: ANC 4C
FR: Denise Wiktor, General Counsel
DT: 04/08/2026
RE: Petworth Porchfest 26 grant

The Office of Advisory Neighborhood Commissions (“OANC”) has received a copy of a grant request from Uptown Community Initiative regarding a grant for Porchfest 26. The applicant states that the festival offers residents the opportunity to host local bands on their front porch and the neighbors and opportunity to listen or walk to other porches offering music.

The applicant is requesting a grant amount of \$1600,00 to be used for signs to advertise the event.

I have reviewed the application sent to OANC and have found that the request is a **permissible** expenditure of ANC monies.

Additionally, once a grant has been voted on by the ANC *the purpose of the grant cannot be changed without an additional vote by the ANC.*

Analysis

There are five prongs a grant must meet to be a permissible expense¹, and there is also a sixth requirement of the D.C. Official Code that limits the amount of a grant that can be spent on overhead². These are, respectively:

¹ See *Letter to Schanette Grant on Seasoned Settlers and Grants Generally*, April 14, 2022, found at <https://oag.dc.gov/sites/default/files/2022-04/Letter-to-OANC-Re-Seasoned-Settlers-Grant-and-Grants-Generally-.pdf>.

² D.C. Official Code 1-309.13(m)(2)(D) provides that “[n]o Commission shall provide a grant for which the grantee estimates that the overhead costs would exceed 15% of the entire grant amount.”

1. **Public Purpose:** ANC grants must be for “public purposes within the Commission area.”³ A public purpose is one “that includes a significant benefit for the community and is not done for the primary purpose of benefitting a private entity.”⁴ The event benefits the ANC 4C community by bringing music directly into the neighborhood and bringing neighbors together while they listen to the music.
2. **Local Benefit:** A grant must “benefit persons who work or reside in the Commission area.”⁵ This does not mean the grant may only benefit Commission residents; it simply means the grant’s benefits should be focused on those residents.⁶ There will be porches with bands in ANC 4C
3. **Proposed Project:** A grant must be for a proposed project.⁷ This is a discrete single event, with a proposed beginning date and end date.
4. **Organization:** A grant must be to an “organization,” not an individual or a government entity,⁸ although the organization need not be incorporated⁹. Uptown Community Initiative is an organization as defined by the Code for ANC grants. It is also a District based 501(c)(3) organization in good standing as reflected by the IRS TEOS system.
5. **Non-Duplication:** A grant cannot duplicate any services offered by the District of Columbia government.¹⁰ This grant is not duplicative of any service or program provided by the District government.
6. **Overhead:** Overhead cannot exceed 15% of the grant amount.¹¹ None of the grant monies would be used here for overhead costs.

Conclusion

For the reasons stated above, this grant is a **permissible** expenditure of ANC funds.
